

# Kansas City Regional Bikeway Plan

MARC is working with area partners to develop a Regional Bikeway Plan that will establish a vision for high-priority bikeway and trail investments across the metropolitan area. The plan will be completed by December 2014.

## Scope of work

The scope of the Kansas City Regional Bikeway Plan covers four key areas:

1. Evaluating existing bikeway and trail plans, programs and policies.
2. Analyzing the bikeway network.
3. Identifying regional bikeway and trail network priorities.
4. Developing supportive tools and resources.

Some of the steering committee's initial goals for the plan are to:

- Expand the MetroGreen system where appropriate.
- Develop a new Regional Bikeway Network map that includes not only current bikeway systems but also greenways and planned expansions of the system.
- Develop a process for identifying high-priority regional bikeway and trail investments.

This planning effort will be coordinated with the current update of *Transportation Outlook 2040* — the metropolitan area's long-range transportation plan — to help clarify regional priority investments and implementation strategies.

## Use our WikiMap until May 23:

<http://bit.ly/1eSHEGk>

- Provide some basic information on your current bicycling habits.
- Use mapping tools to highlight:
  - Current bicycling routes (or routes you would like to bicycle).
  - Barriers to bicycling and destinations that you ride to.
- Leave comments about the routes and points you enter.

## Upcoming public meetings

The team will host four public meetings to seek additional input into the plan.

### Jackson/Cass Counties

Monday, May 12 • 5–7 p.m.  
Belton Memorial Station  
602 Maurer Parkway, Belton, MO 64012

### Johnson/Miami Counties

Tuesday, May 13 • 5–7 p.m.  
Spring Hill Community Center  
613 South Race, Spring Hill, KS 66083

### Clay/Platte Counties

Wednesday, May 14 • 5–7 p.m.  
Gladstone Community Center\*  
6901 North Holmes, Gladstone, MO 64118

### Wyandotte/Leavenworth Counties

Thursday, May 15 • 5–7 p.m.  
Bonner Springs Community Center, Sunflower Rm.  
200 E 3rd Street, Bonner Springs, KS 66012

\* Because of another area event that evening, the recommended route to the Gladstone Community Center is by North Oak, turning east on 69th Street. Follow 69th Street to Charlotte to the community center parking lot entrance. The center will have parking attendants, and attendees will just need to say that they are here for the MARC meeting. That evening 70th Street (going east) and the entrance at 70th and Holmes will be shut down.
